

2025 SUMMER CAMPS

OPTIONAL FIELD TRIPS

Optional field trips for full-day campers age 6 & up.

All camps include a ton of gymnastics, plus crafts and games that follow the weekly themes.

Week 1: July 7-11

Midway Marvels

Enjoy a pancake breakfast, mini donuts, exciting carnival games, glitter tattoos, face painting, and balloon animals. We're bringing the midway magic to you!

Field Trip: Monster Mini Golf

Week 2: July 14-18

Jungle Trek

Embark on a wild adventure with a magician, sno-kones, balloon animals, glitter tattoos, and a bounce house. It's a jungle of fun you won't want to miss!

Field Trip: Zoo

Full Day Camps

(8:30-4:00)

\$360

(Week 5 = \$288)

Add \$25 for Field Trip

Half Day Camps

(8:30-12 or 12:30-4)

\$210

(Week 5 = \$164)

Complimentary before and after care from 8-8:30 and 4-4:30

Week 3: July 21-25

Barnyard Bash

Meet animals with the reptile guy, join scavenger hunts, enjoy face painting, and dive into barnyard-themed games and crafts. A week full of animal adventures!

Field Trip: Granary Road

Week 4: Jul 28 - Aug 1

Sports Showdown

Gear up for a week of sports-themed games and crafts! Take on in-house challenges, build teamwork, and jump into the action with a bouncy castle.

Field Trip: Bowling

Week 5: Aug 5-8

Splash Squad

Dive into a week of water-themed fun! Enjoy a dunk tank, exciting water games, volleyball, and creative face painting. Get ready to make a splash and have a blast.

Field Trip: Prairie Winds Park

Week 6: Aug 11-15

Creation Nation

Get ready for a week of creativity and fun! Campers will enjoy hands-on art projects, flips, tumblers, and high-energy activities, blending colorful adventures with non-stop motion!

Field Trip: Colour on Fire

Week 7: Aug 18-22

Star Seekers

Blast off to the cosmos in mobile planetarium, build a space ship, and enjoy fun space-themed games and crafts. It's a stellar week of fun and discovery!

Field Trip: Laser City

Week 8: Aug 25-29

FUNgineering Frenzy

Dive into the world of robotics and creativity with fun robot crafts, and an exciting robot competition! Explore mechanical building and bring your creations to life.

Field Trip: Telus Spark
